

PROACTIVEPERIO

Periodontics & Implant Dentistry

Why have you been referred to Proactive Perio?

Proactive Perio is a specialist Periodontics practice dedicated to helping patients proactively repair and maintain their oral health. In partnership with your general dentist we will provide thorough care in all aspects of Periodontics. Our focus is on specialist periodontal therapy, periodontal surgery and implant dentistry.

Please visit our website **www.proactiveperio.com** to learn more about Proactive Perio and how we can help you.

Please arrive 15 minutes prior to your scheduled appointment time for administrative purposes.

We look forward to seeing you!

Specialist Treatment. Individual Care.

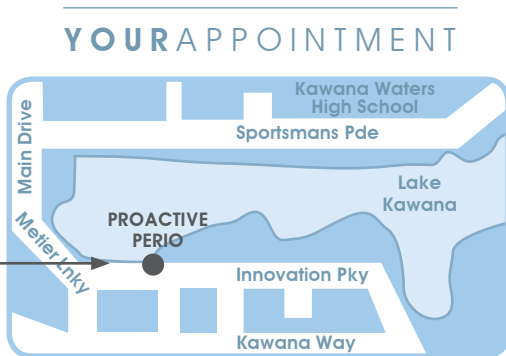

PRACTICE LOCATIONS

Our friendly staff at the surgery will be able to make appointments with Proactive Perio's Dr Barker. Just ask!
